Profile

My professional goals are simple, to creating amazing graphic design work that gets results for the company that wants my services. I'm a self starter that works great alone or within a team. Please take your time to review my [portfolio](#) and feel free to contact me with any questions.

Experience

Millennium Graphics, Present, Sylvania, Ohio

Vise President of Creative Design

Duties include the design, production and delivery of numerous web graphics, video graphics, print graphics and more. I design for such companies as Sealy, Stearns and Foster, Serta, Simmons and Tempur-Pedic with sales in the billions annually. In addition I design for various department heads and executives to provide key advertising campaigns for new business opportunities. Additional responsibilities include maintaining strong relationships with key accounts plus creating displays for Sealy national sales meetings and organizing photo and video shoots.

Sealy Mattress Company, Trinity, North Carolina

Retail Advertising Specialist

Directed contractors to create ad work for new product campaigns to support the sales of Sealy Mattress and its collection of brands that includes: Sealy, Sealy Posturepedic, Stearns & Foster plus private label brands. Other job responsibilities included creating corporate graphic design work for key national accounts that included Sears, JCP, Macy's ABC Warehouse and more. Also created company newsletters in three languages English, Spanish and French.

WGTE Public Media, Toledo, Ohio

Graphic Designer

Designed and created monthly entertainment guide for WGTE members for TV, radio and outreach. Helped to create local history programs like Cornerstones, a special program that looked at ethnic cultures in the greater Toledo area. Also created graphics for other award winning documentary programs like The History of Glassmaking in Toledo, Toledo Museum of Art History, Toledo Zoo history and more. I also created their annual reports.

Image Source, Inc., Toledo, Ohio
